

Moreau Physical Therapy Vision Statement

The vision of Moreau Physical Therapy is to:

- Have a caring, professional and long-term relationship with our patients and our referral sources.
- Have the reputation for exceeding the expectations of our patients in the quality of rehabilitation and overall wellness services provided.
- Be known as the friendliest, most reliable and ethical physical therapy team by our various referral sources.
- Be at the forefront of the profession in regard to evidence-based rehabilitation and wellness procedures.
- Be as accessible and responsive as possible to our patient and referral source base.
- Assemble a team of motivated individuals that will take pride in the overall quality of patient service.
- Provide a work environment where all team members are encouraged to have fun, include the patients in the fun and make a real difference through the therapeutic experience.
- Provide various opportunities for individual team members to grow in both professional endeavors and personal life enrichment.
- Be systematic in the operation of our business, yet customized in the care provided to our patients.
